## DETAILED ACTION

### *Information Disclosure Statement*

1. The information disclosure statement (IDS) submitted on 06/7/2004 has been considered by the examiner and made of record (note the attached copy of form PTO-1449). The IDS submission includes previously missing copies of the references listed on an IDS submitted 1/23/04. These references still fail to explicitly disclose a circumferential mode ring resonator and therefore the case remains in condition for allowance.
